

ELMER'S DAY (Spanish-English)

Another feel-good addition to the publishing phenomenon about the little elephant who is different to all the others. Elmer has a busy day ahead of him. He likes to have fun squirting himself with water and playing with his friends. He often stops for a chat, and when he is hungry he stops for a lunch of some fresh juicy grass. At night Elmer likes to count stars, but he never gets very far before falling fast asleep! This charming board book is for children ages 0+ and has text in Spanish and English.
