Dos espectaculares capturas. Dos sorprendentes huidas. La vida del poderoso narcotraficante Joaquin Archivaldo Guzman Loera, alias El Chapo, lejos llevo de su humilde ninez en la pequena poblacion rural de La Tuna en Sinaloa, para convertirse en todo un varon, un recio macho con las agallas para ser el capo mas rico, poderoso y buscado del planeta. Andres Lopez Lopez una vez mas adentra a sus lectores al bajo mundo del narcotrafico. Con su estilo unico, novelando hechos reales, el autor explora la vida de El Chapo a partir de las vivencias con sus mujeres y familia, las relaciones con sus socios y los feroces enfrentamientos con sus enemigos, todo mientras es acechado por las autoridades. Joaquin "El Chapo" Guzman: el varon de la droga es la historia que hay detras de los titulares de prensa. Es una historia que entreteje accion, amistad y amor, pero tambien ambicion, traicion y maldad. Un historia que deja claro el camino hacia un incierto punto final. English Description Two spectacular captures. Two surprising escapes. The life of the powerful drug lord Joaquin Archivaldo Guzman Loera, alias El Chapo, has gone far since his humble childhood in the small rural town of La Tuna, in Sinaloa, as he became every bit a baron, an intense man with the guts to become the richest, most powerful, most wanted mob boss on the planet. Andres Lopez Lopez once more draws his readers into the underworld of the drug trade. With his unique style of making a novel out of real facts, the author explores the life of El Chapo through experiences with his wives and family, the relationships with his associates, and the vicious confrontations with his enemies, all while he is hunted by the authorities. Joaquin El Chapo Guzman: The Drug Baron is the story behind the headlines. It is a story that combines action, friendship, and love, but also ambition, treason, and malice. A story that makes clear the tortuous path toward an uncertain ending."

ANDRES LOPEZ LOPEZ - When he was only a teenager, Andres Lopez Lopez entered the drug world under the infrastructure of the Cartel del Norte del Valle. He quickly ascended the ranks and became the target of US federal agencies. After surviving the internal wars that broke out within the cartel, Lopez Lopez chose to turn himself in to US authorities in 2001. While behind bars, he began to chronicle his story and the story of those who belonged to the most dangerous groups in his native country, Colombia.

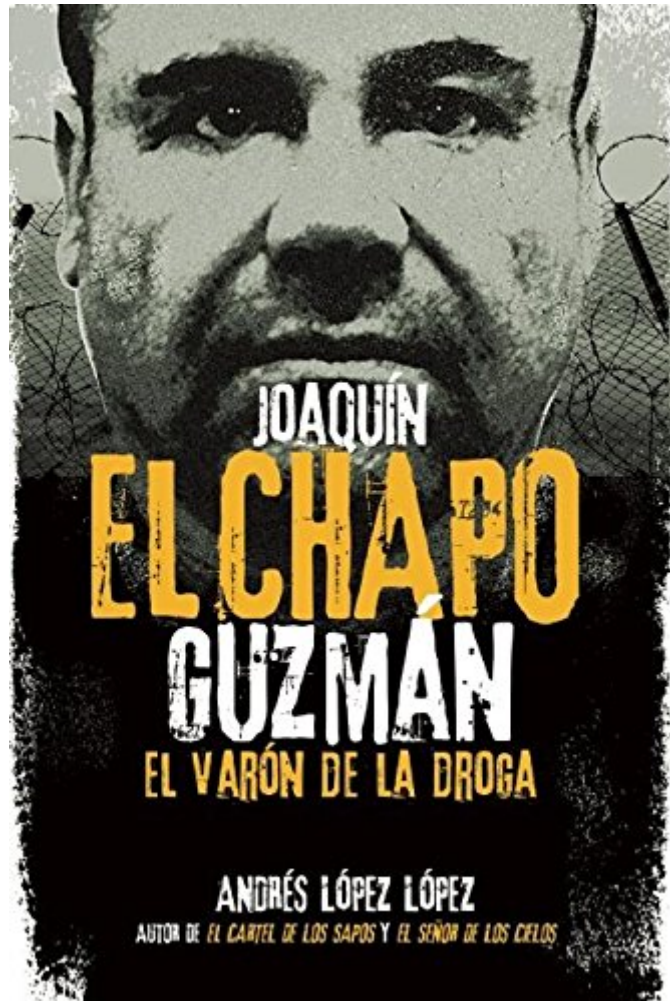

His book "El Cartel de los Sapos "became an instant bestseller and gave birth to the television series, "El Cartel," which has been viewed by millions in Colombia and other countries. The television series, also written by Lopez Lopez, has aired in over thirty countries and was awarded Best script for a television series during the 21 International Format Awards in Cannes 2008 MIPCOM Festival. That same year, the series participated in the Film and Television Festival in Cartagena where it was awarded the Best Original Script for a series.

The author has also published the books "Las Fantasticas, El Cartel de Los Sapos 2 and El Senor de Los Cielos," which was made into a popular telenovela. It was so successful, in fact, that they decided to continue the series, despite subsequent seasons not being written by Lopez Lopez. He now spends his time writing for film and television.
