

Cook It! / ¡A cocinar! (Helping Hands English/Spanish edition)

Children love to imitate adult behavior. Helping with real tasks is a natural progression from pretend play, and is a crucial stage in a child's development. Achieving a shared goal encourages a sense of responsibility and develops many skills useful in later life. Encourage your child to help out and develop new skills as they share in the fun of more grown up activities. Simple conversational text and lively illustrations are carefully designed to initiate dialog between reader and child.

Review

Helping Hands series

"Birkett's bright, line and color illustrations focus on the child and her contributions, evoking Alike in line and mood. The narration's rapid fire enthusiasm is appealing." (*Kirkus Reviews* 2011-04-01)
